Note to Recommender:

The student requesting your recommendation is applying for the 2019 Electric Cooperatives of South Carolina Washington Youth Tour and Cooperative Youth Summit. The South Carolina Washington Youth Tour has brought high school students from all across the state to Washington, D.C. for a week in June every year since the late 1950s. They get to see their nation's capital up close, learn about the political process, and interact with their elected officials.

The Cooperative Youth Summit is a four-day, three-night event in Columbia, South Carolina. Students will have the chance to enhance their leadership skills, engage in team-building exercises, learn about electric cooperatives and how state government works, and spend time with other cooperative students from across the state.

We greatly appreciate your assessment of the applicant which will provide valuable information to the selection committee. In your letter of recommendation, please answer and/or describe:

- How long and in what capacity have you known the applicant
- What leadership skills have you noticed in the applicant
- What characteristics you see in the applicant that should help him/her succeed in attaining any goal he/she chooses to pursue?

Please include your address, telephone number, and email address. Please give your letter, preferably in a PDF file format, to the applicant. He/she will then submit it electronically with the rest of their information. If you have any questions, please contact Johanna Cooper at johannac@bec.coop or (843) 899-8424.
