

Download SmartHub App and Register Account (Mobile)

Overview

With the SmartHub mobile App, you can receive notifications from your SmartHub provider, pay your bills, report problems with your service, and contact your provider, all from your iPhone.

Getting started is easy – you just need to install the app and log in. It's that simple.

Install SmartHub

Step 1: On your mobile device open your app store application.

Step 2: Search for "SmartHub" in the search bar and look for the SmartHub icon. Follow the instructions to install the app on your device.

Step 3: Open the SmartHub app on your device after it installs.

Step 4: After SmartHub opens to the initial launch screen, tap the appropriate button to search for your provider by either "**Location**" or "**Name**". Enter any information required.

Step 5: After the search results appear, tap your provider's name on the list presented. Then tap the "**Confirm**" button to confirm your choice of provider.

Step 6: When the SmartHub login screen appears, you will continue to register your new account using the instructions that follow.

Register a SmartHub Account

If you already have a SmartHub account, you can simply login using your existing email address and password. If you don't have a registered SmartHub account, you can register using the steps below.

Step 1: From the SmartHub login screen, look for the link that says "Don't have an account? Register now."

- Can't access your account?
- Don't have an account? Register now.

How To

Step 2: On the registration screen, fill in the following:

- Account number (found on your bill)
- Last name or company name (exactly as it is on the bill)
- Type in an email address you'd like to associate with your SmartHub account and notifications.

Click the "Register" button
